## 2021 Cabernet Sauvignon

Our 2021 Cabernet Sauvignon boasts rich dark fruit aromas of blackcurrant, Bing Cherry, and red cassis, complemented by complex layers of toasted cedar and hints of graphite. The palate is full-bodied with smooth tannins and balanced acidity, showcasing an abundance of dark berry flavors intertwined with nuances of cola and smoked caramel. Enjoy now through 2037, with optimal maturity peaking around 2032.

**SUCKLING**

A distinctive cedar/pine accent in the aroma leads to good, deep black-cherry, dark-chocolate and cinnamon flavors in this full-bodied, balanced and moderately tannic wine. Drink or hold. Screw cap.

**90**  
**VINOUS**

Sweet roses and crushed cherries give way to a dusting of spice as the 2021 Cabernet Sauvignon opens in the glass. It's soft and round, with vibrant acidity and pretty violet-tinged wild berry fruits. There's a pleasant inner sweetness contrasted by tart cherry-berry fruits. The 2021 finishes long and fresh. - *Eric Guido*
