#### 2013 MONTEFALCO SAGRANTINO

"An intense display of mocha, plum sauce, cloves, brown spice and earthen mineral tones wafts up from the 2013 Montefalco Sagrantino. This is a dark and concentrated effort that floods the palate in silky richness and ripe black fruits, as balsam herbs add lift and fine tannins saturate deeply toward the close. Tart cherries and hints of cocoa and tobacco linger through the dramatically long yet also youthfully structured finale.

This power-packed Sagrantino is full of character, but it will require a few more years to fully flesh out."

Eric Guido. Tasting date: June 2021
