

## Il Borro Petruna Anfora DOC 2018

“Extremely floral with sweet cherries, as well as flowers and hints of mushrooms. Medium to full body with a lovely, creamy texture that seems so pinot noir-like. But this is sangiovese from a single vineyard, aged in amphora for one year. No wood here. Love the finish. From organically grown grapes. Drink or hold. Only 3,500 bottles made.”
