

### Col di Lamo BRUNELLO DI MONTALCINO

“Bright cherry and berry aromas with hints of pressed flowers. Medium body with bright acidity and tight but not drying tannins. Long, fresh finish. Delicious now, but this should age gracefully, too.”

“On the palate, crunchiness acidity reiterates the clean spark, yet there’s also plenty of vigour and chew. Clingy, clayey tannins make for a solid backbone. This has more character than polish but will charm with its charismatic, genuine profile.”
